**Appendix: Demographic data**

Question 17. To which age group do you belong?

By far the largest proportion of responders were in the 70+ age group, with almost a third (129 out of 392) of responders falling into this category. Just one survey was completed by a resident under 20 years of age.

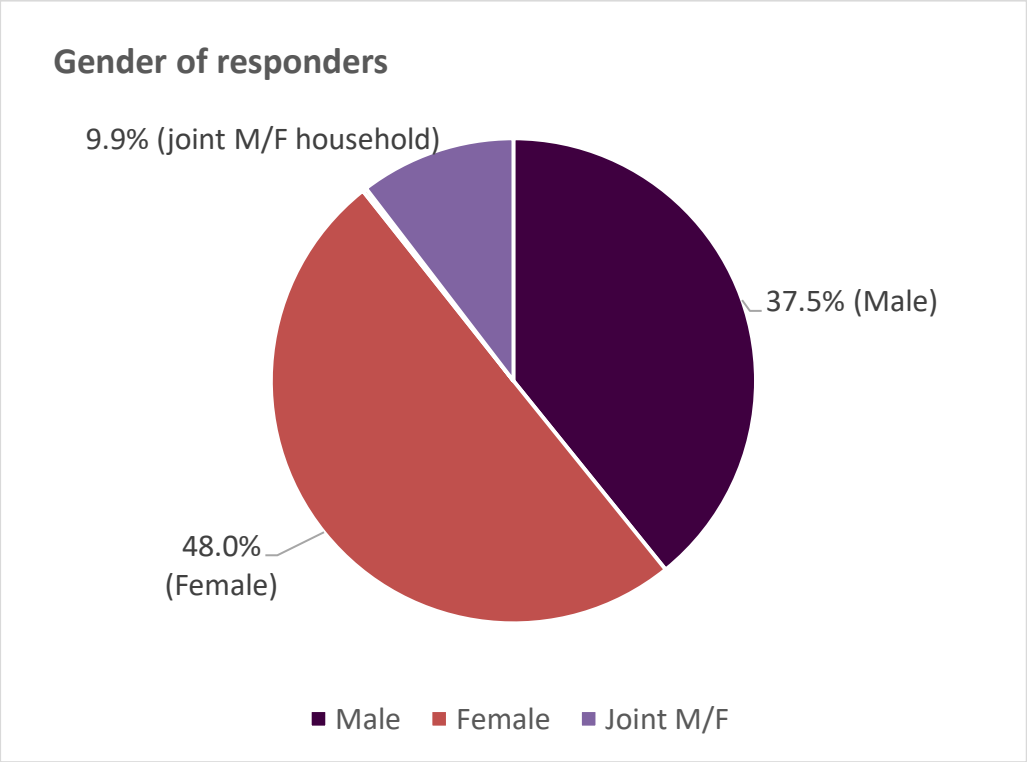

Detail:

<20	20-29	30-39	40-49	50-59	60-69	70+	Blank	Total
1	4	35	60	61	88	129	14	392

Question 18. What is your gender?

Almost exactly half of the responders were female. Approximately 10% of surveys were completed by a joint male/female household, who ticked both the 'Male' and 'Female' boxes on the survey.

Gender of responders

9.9% (joint M/F household)

37.5% (Male)

48.0% (Female)

■ Male   ■ Female   ■ Joint M/F
