

# EQUALITY POLICY

This policy was reviewed on 21 May 2019 Minute ref: 19/67.2

## 1. BACKGROUND

The Equality Act 2010 replaces the existing anti-discrimination laws with a single Act. It simplifies the law removing inconsistencies and making it easier for people to understand and comply with it. It also strengthens the law in important ways to help tackle discrimination and inequality.

The Act applies to all organisations that provide a service to the public or a section of the public.

## 2. COUNCIL'S COMMITMENT

Fishbourne Parish Council aims to ensure that its services meet the varied needs and expectations of the local people and that everyone has equal access to all services regardless of age, gender, sex and sexual orientation, disability, marital status, ethnicity, religious belief or any other individual characteristics which may limit a person's opportunity in life.

The Council will endeavour to:-

- Eliminate discrimination, harassment and victimisation
- Advance equality of opportunity between people who share a characteristic and those who do not.
- Foster good relations between people who share a characteristic and those who do not.

In order to promote equality of access to services, the Council will aim to ensure that:

- The services provided are in response to the needs of the whole community
- The Council will take into account customer views
- The information on services is widely available to ensure maximum awareness of provisions
- In advertising and publicity, the Council will be presented as an authority committed to promoting equality of access to employment and services
- The Clerk will be trained and supported in carrying out his duties in line with implementing equal opportunities policies

### **3. MONITORING**

The Parish Clerk will monitor the service delivery on the basis of age, gender, sex and sexual orientation, disability, marital status, ethnicity, religious belief or any other individual characteristics to ensure that they act fairly and without discrimination.

### **4. EMPLOYMENT**

It is the policy of Fishbourne Parish Council to afford equal treatment to its Current employee and any prospective employees. The aim of this policy is to ensure that no job applicant or employee receives less favourable treatment on the grounds of race, colour, nationality, sex or sexual orientation, marital status, physical or other disability

Whilst the main responsibility for providing equal opportunity rests with the Council, the elimination of discriminatory practices depends upon the co-operation of all councillors and employees. In particular they should:-

- Co-operate with measures introduced to make sure there is equality of opportunity and no discrimination
- Ensure that they do not discriminate against colleagues
- Draw the Parish Clerk's attention to discriminatory acts or practices
- Not victimise individuals on the grounds that they have made a complaint or provided information about discrimination
- Not harass, abuse, bully or intimidate employees.

Where councillors or employees commit such acts in the course of their work, it will be considered a disciplinary matter and the appropriate action taken.
