

# Welcome to Fishbourne Village

7th Edition Autumn 2022

Published by Fishbourne Parish Council

Welcome to your new home! We hope you will soon settle in and start to feel part of our friendly and lively community. This Welcome booklet, which has been produced by Fishbourne Parish Council, contains information on services available in the village and in the surrounding area. We hope you will find it useful.

*The Fishbourne Book* (2006) details the recent history of the village. It is now out of print, but copies are available on loan from Chichester Library.

The Parish Council would like to thank its predecessors and especially the former chairmen Julian Snell and Geoff Hand for producing earlier editions of this Welcome booklet.

Lynda Hunter  
Chair

## About Our Village

Fishbourne is situated on the edge of Chichester Harbour and is sheltered by the Downs. Though it has a history stretching back to Roman times, it developed as two separate communities. Old Fishbourne was part of Bosham Parish Council and New Fishbourne part of Chichester City Council until 1987. As a result, there was no “Fishbourne voice” on important issues affecting the village.

A village meeting summoned in 1969 by the then Rector led to the formation of Fishbourne Playing Field Association as a registered charity (1970), the opening of a Club House (1989), the establishment of a Neighbourhood Council (1975) and the first elected Parish Council (1987). The Parish Council remains very active in the village and the village won the Calor Best Village West Sussex Award in 2008. The Fishbourne Centre (2010) completes the vision of the 1970s pioneers.

## Local Publications

The Fishbourne **Village Voice**, published quarterly by the Parish Council, is free and is delivered to all homes in the parish. It is edited by Richard Bates ([councillor.bates@fishbourne-pc.gov.uk](mailto:councillor.bates@fishbourne-pc.gov.uk)).

Chichester District Council's *Initiatives* is delivered free to homes, residential blocks and businesses three times a year, across the whole of the Chichester District. It contains information on council services

and about what is going on in their Local Authority. Downloadable as PDF from <https://www.chichester.gov.uk/initiativesmagazine>

The *Village Magazine* contains local information for the community between Emsworth and Chichester. A monthly publication, it is produced in Bosham and delivered free to the local community, paid for by advertising, and edited by Fiona Wilson. General enquiries: [info@thevillagemagazine.co.uk](mailto:info@thevillagemagazine.co.uk). [www.thevillagemagazine.co.uk](http://www.thevillagemagazine.co.uk)

## **Fishbourne Playing Field Association (FPFA)**

The Fishbourne Playing Field Association has grown steadily since its creation in 1969 and sporting facilities on the field now encompass tennis (4 courts), a bowling green, a croquet lawn and pitches for football and cricket. Netball is played on the multi-sport court, there is also a popular children's play area and outdoor gym equipment.

Two significant improvements are lighting for the multi-sports court and the provision of changing rooms. Much of the maintenance of the Field falls to a very small number of hard-working volunteers, who would welcome an increase in their numbers!

## **The Fishbourne Centre**

The Fishbourne Centre was opened in May 2010. The Centre serves the needs of the whole community. It offers a main hall with a stage, a smaller hall with a bar which can be incorporated into the main hall, a meeting room and a licensed bar open in the evenings and from lunchtime at weekends. The Centre's flexible design makes it an ideal venue for weddings and other family events. The Centre's rapidly expanding programme includes art classes, ballet, computer training, swing dance, jive, a children's music group and more. It is home to many of the clubs and societies listed on page 7.

## **St Peter & St Mary, Fishbourne Parish Church**

Hidden away by Fishbourne Meadows is the Parish Church. If you live in the parish, this Church is yours, and we are here to help you to celebrate the joys of weddings and christenings, or to support you through planning funerals and the grief of losing the people you love.

St Peter & St Mary's is a church that welcomes everyone, even if you are just walking the dog through the churchyard down to the harbour. We offer a place of stillness and peace, a place to try to put down our busyness and make space for God. As a church family we want to share God's love and blessing with the wider village, through volunteering and community involvement.

Our main service is at 9.30 every Sunday, but we also offer shorter services and services particularly aimed at families and those who haven't been to church in a while. Our monthly Messy Church takes place in the more informal setting of our hall, St Peter's Place, which also hosts a variety of groups for the local community.

We have strong links with Fishbourne School, and with Bishop Luffa; we love to get the children involved in our services and community activities, and are grateful for the way they share their holy joy with us.

So whether you are new to Fishbourne or have lived in the area for a long time but would like to know more about the Church and the services, or if you simply want a chat, please contact:

## Dog Owners

We are grateful to the many dog owners who clear up after their pets – and who make sure Fishbourne remains a clean and safe place for everyone to enjoy.

## Cycle routes through Fishbourne

**Emperor Way** (right) in Fishbourne forms part of the [National Cycle Network](#), Route 2. It connects the village of Fishbourne with Chichester, allowing cyclists to get to the underpass under the A27 without having to cycle on the A259 through Fishbourne itself.

**Centurion Way** (left) follows the route of a former railway which closed in 1991. This scenic cycle path is mainly off-road, leading from Bishop Luffa School up to West Dean with many access points along the route.

Both routes are shared, for cyclists and pedestrians.
