

FISHBOURNE PARISH COUNCIL

ASSETS REPORT 2024

Inspection carried out by Cllr. Helen Marshall.

I conducted the Asset Inspection on Sunday 14th April 2024.

My findings are as follows:

All assets, that have not been inspected to date in 2024, were inspected and their condition as of April 2024 is Good - except for the following 3 incidences:

Bus Shelter A259 North Side near Manor Bridge - although roof felt looks intact, the baton on the east side needs re fixing.. see attached photos.

Fence at Mosse Gardens - Poor condition

Village sign at Clay Lane - support poles are not straight. Looks like it's been lightly knocked by passing traffic?
