Dear Fishbourne Parish Council

**New Street Nameplate request: Blackboy Lane** (additional SNP - Clay Lane junction)

I am consulting for an additional nameplate at : **Blackboy Lane**

The reason for the request stated within the application is : No street nameplate exists on the opposite corner at the Clay Lane junction and although the missing street nameplate keeps going astray, this is to be replaced, we feel that it would be beneficial to have nameplates on both Clay Lane (into Blackboy Lane) corners.

Therefore please can the Parish confirm the following:

1. Does the Parish want the new nameplate erected?
2. If so, please confirm that the position noted above is satisfactory?

I must ask that your Council let me have any comments or alternative suggestions you may wish to make within 21 days. If a reply is not received within 21 days, I shall assume that your Council does not wish to make any comments and I will process the application accordingly.

Yours sincerely

A handwritten signature in dark ink, appearing to read 'L. Toop'.
