

FISHBOURNE PARISH COUNCIL – Non-Confidential Report

Committee: Full Council

Meeting Date: 17 February 2025

Report by: Clerk

Subject: School Parking

Agenda Item: 14

The Roman Palace has, for many years, allowed parents to park in its car park when dropping off the children to school. This has caused some issues as parents don't always park where they are supposed to or use safe pedestrian routes in and out. The surface of the car park is breaking up in places and this has caused the Custodian to take the decision that the car park is too dangerous for use by the parents until the repairs have taken place.

The Palace needs funding for these repairs and it is understood it has not had any luck in finding any from the School or CDC.

At the same time Langrune Close has had 'No Parking' signs put up with the threat of fines.

This is making school drop off and pick up times very difficult in the surrounding area.

Action from Council: to note.
